

# St. Christopher's Episcopal Preschool

February 16, 2019

Dear Parents,

Our St. Christopher's Episcopal Preschool 5K Fun Run will take place on Saturday, May 4, 2019 at Purser Park in Harker Heights. In order to help make this event successful, we are looking for local sponsors to provide help.

The attached Sponsorship Form outlines the different levels of sponsorship and the cost of each. By sponsoring our Fun Run, each business will help provide continued growth and education of our non-profit preschool program. This year, our sponsors will aid in the hopeful addition of new classroom furniture and integration of new classroom technology for our students.

We hope that we can count on your help to make our 5k Fun Run a beneficial event for our school. Every business is welcome to participate, and no contribution is too small or unappreciated. If a sponsorship is unavailable at this time, we are also accepting donations of any amount (coupons, donated items, free gifts) for our swag bags that are given to the runners on race day. Please encourage each business to consider representing their company in some way at our race.

Thank you in advance for your generous time and help with this event. Together, we are sure to make this year's 5K Fun Run a memorable occasion for all!

Sincerely,

St. Christopher's Episcopal Preschool

5K Fun Run Committee
